For those of you who have been supporting this ministry, we are humbled with the partnership. The testimony of your faithfulness towards God's Work in Lantaw-Ugma Outreach is very inspiring, and so we give God thanks for you!*

*We would like you to be updated while we're away so keep visiting this site. In addition, because of unreliable internet access from our Honan project site, we also encourage you to check our Facebook page for more current ministry updates. Thank you in advance for remembering to pray for these children who desperately need hope in their lives. For your faithful and prayerful support, we praise God for drawing you to invest in the lives of these children. Please pray with Lantaw-Ugma Outreach that we may continue to stay faithful and that we receive wisdom to discern wise use of the resources our Father God has entrusted to us.*

*In closing, please know that we always keep you in mind that God will continue to pour out His beautiful blessings upon you and your family, and that in everything, we all be united and strong in our pursuit to know Him more while working together in the advancement of His Kingdom here on earth.*

*Hope you'll visit us soon.*

*Humbly serving with you in Christ,*

*~Gina and Alan*
