

A happiest greeting in the Lord to you all, our family in the body of Christ!

How time flies, and we can't believe that it's going to be almost 2 months since we arrived (9/22/16) in Isabel, Leyte, Philippines. Humbly, we've seen God's Glory and His Power wonderfully revealed in many areas, and so we thought we would like to share a praise report to the glory of our Father God!

If you haven't visited the Facebook page of Lantaw-Ugma Outreach, we encourage you to check it out. You don't need an FB account to visit the page.

For those who haven't or cannot access our Facebook page, here are the highlights of what our Lord God has done to this ministry in the last 1.5 months:

- (09.24.16) - 1st Saturday session in LUO ministry site. We reintroduced ourselves and asked the children to write something about themselves, their family members and what they're thankful for. From their writings, we learned more about these children and what the Lord has done in their hearts. Such heartwarming messages! 😊

Expressing Happiness/Thankfulness thru ART!

"He calls His own... by name." - John 10:3 ❤️

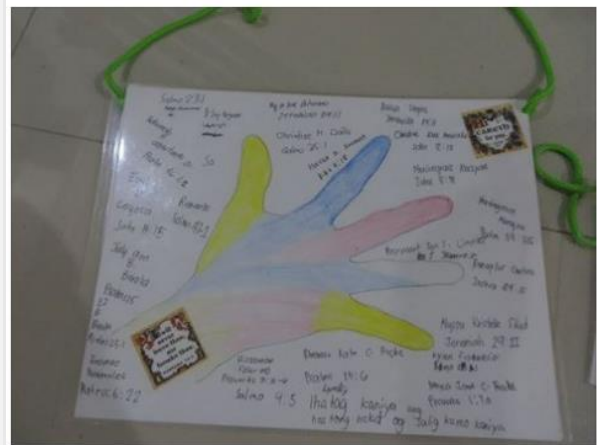

"How lovely is your dwelling place, O Lord Almighty! My soul yearns, even faints, for the courts of the Lord; my heart and my flesh cry out for the living God." - Psalm 84:1-2 ❤️

"Come unto Me." - Matthew 11:28 ❤️

May these favored Bible verses and many other memorized verses will penetrate into the hearts of these children, and they will grow more in their knowledge of our Lord Jesus Christ. 😊

With Christ as their Hope, they will... so confident of this! ❤️

- (10.01.16) 2nd Saturday: We distributed raincoats (to help kids not be soaking wet when it rains during their travel to/from LUO ministry site), backpacks (to keep their Bible dry) and praise journal/pen/pencil.

We also did the very first Home Visitation for this year where we visited 4 homes and had a chance to get to know members of the child's family. We plan to visit more families in the coming weeks/months.

- (10/3/16) Monday: Fellowship with LUO High school students.
Topic: Purity/God's Wisdom/ Book of Proverbs.

- (10.08.16) 3rd Saturday: And the children kept showing up!

- (10.10.16) - With the faithfulness of God's people, LUO was able to purchase this much needed vehicle for the ministry. Oh, praise You, Father God!

This newly acquired ministry vehicle is just the perfect size to bring us to the LUO center - definitely meets the need!

- (10.15.16) 4th Saturday: Each week, we see an increasing number of children attending and each time, we have been blessed of seeing willing hearts to hear and memorize God's Word.

- (10.22.16) Yes, on our last Saturday session for the month of October, more new faces showed up. All new attendees requested to have their own copies of the Bible—praise the Lord God!

Older teens spent time helping younger LUO children with their memory verses... 😊

- (10.24.16) Home Visitation. Visited the home of one LUO child who had an accident late Friday night on 10.21.16; Alan brought her to a clinic the next day (Saturday) for proper medical attention where the child received some stitches on her injury.

Driveway Repair Project #1 – the First of Three!

Yes, the Lord God has done it again! 😊 Thank you to those who help in making the LUO's first construction of the much needed driveway repair possible. There are a total of 3 areas to be repaired, then the truck will have a better climb ~ 😊 If you are led by the Lord and you want to be a part of this project through prayer and financial support, God bless you!
